

Forever Starts Today

at Rainbow Gardens

Outside

Located directly behind Rainbow Gardens with a view of 310 acres of beautiful rolling farm land that boasts beautiful sunsets. The outdoor venue is state of the art complete with turf so high heels and chairs don't sink or get muddy, it also allows for utilization minutes after the rain. We also use a natural sound audio system so you won't miss a tear from the pergola, without any mics showing. At night keep the beauty going with lighting all around, along with patio furniture and yard games. The outdoor space also has Crystal Lake access for pictures as well as a fully lit parking lot.

Venue Highlights

Inside

Built in 1948, this historic roller rink is the perfect choice for your special day. The venue was recently renovated in 2022 making the space is current while keeping the history by restoring the venues maple floors and tall rafter ceiling. This 16,000 sq ft climate controlled venue hosts up to 300 people complete with chairs and tables. You also can't beat the floor that hosts your dance floor, complete with party lights, three mirror balls, LED lighting and full audio system. You don't want a power outage to ruin your special day, our venue has a full instant battery backup system along with a generator that powers the building. You won't even know if the power went out! Complete your wedding day with optional skating or full arcade hosting pool, skee-ball, air hockey and more!
